* Optional fields; FIXM Secretariat may update during review

MOTIVATION / CHANGE REASON DESCRIPTION (AUTHOR TO COMPLETE)

The XSDDataTypes package was introduced in FIXM Core 4.2.0 but is not actually used for modeling or schema generation. It's presence is both unnecessary and could lead to problems if future modelers assume changes to this package will be reflected anywhere else in the model or generated schemas.

PROPOSED CHANGE (AUTHOR TO COMPLETE)

This XSDDataTypes package is currently included in all FIXM releases (example below from the FF-ICE Application model):

It should simply be deleted.
